PARTNERSHIP PACKET

Open History. Enter Democracy.

It was at the Old South Meeting House and Old State House that the most fundamental debates took place at the founding of this country—the questions we are still grappling with as a nation: Who speaks for me? How will my voice be heard? Our answers to these questions tell us who we are, and who we hope to become. There may be no two sites in the nation that can better speak to these issues, and the need for broader civic engagement is apparent.

The time is now.

As you know, the Bostonian Society and Old South Association in Boston came together to form Revolutionary Spaces in January 2020. We launched our new mission, vision, and branding during the commemoration of the 250th Anniversary of the Boston Massacre where many of you joined us in the Main Hall of Old South Meeting House. Shuttered a week later by the pandemic, Revolutionary Spaces is once again ready to bring you together for an elegant night of celebration, commemoration, and a view not only into the past, but ahead to the future.

Be a part of the story.

On **September 22, 2022**, Revolutionary Spaces will hold its Inaugural Gala looking over Boston and the Old State House in the State Room at 60 State Street. As part of this event, and our commitment to providing members of the Boston community year-round engagement opportunities, we are excited to announce the start of our newly revitalized Corporate Sponsorship and Membership programs. As a Revolutionary Spaces Corporate Sponsor or Member, you and your employees, clients, donors, or friends will be able to engage in unique and exclusive opportunities connecting to the history and continuing practice of democracy through the intertwined stories of two of the nation's most iconic sites.

History can be a powerful tool for today, enabling people to participate more deeply in civic life and to recognize their own personal stake in the ongoing American experiment in self-government. Throughout this packet, you'll find opportunities to engage, and you can find recordings of past programs and explore content related to our exhibits at revolutionaryspaces.org. As we continue to prepare for the 250th Anniversary of the Boston Tea Party in December 2023 and the 250th Anniversary of American Independence in 2026, we will continually enhance these opportunities and hope you'll join us in challenging our understanding of our shared past and help us to explore the future we want to build.

Sincerely,

A handwritten signature in black ink that reads 'M. R. Cotty'. The signature is stylized and cursive.

Matthew Cotty, *Director of Development*
